

## Child History

### Guddu Tiwari: Age – 18 yrs/M

Guddu Tiwari age 18 years old Boy belonging to a very poor family of H.NO vill Rauna PO Mugalsarai Dist. Chandauli

His father, Mr.Vijai Tiwari is a Farmer. He works very hard for their daily earnings. It is very crucial for his family to live a daily routine life ever.

Guddu Tiwari was suffering from the “Left Leg Deformity” (CTEV left foot ) since it was from the birth. we have already operated in first phase his left lower limb for the shortening of more than 6” we have already achieved the lengthening of 4” and in this phase we are correcting his CTEV of left foot

After correction and recovery we have planed Physiotherapy and Calipper for him.

We operated him on 29 july, 2014

During operation
